STATUS INQUIRY

U.S. Patent and Trademark Office  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The subject application was filed on June 1, 2001. Applicants' petition to revive under 37 CFR 1.137(b) was granted and this application was forwarded to the Office of PCT Operation for continued processing. PAIR shows the status of this application as abandoned, however, and inquiry is made as to when an Action will be forthcoming.

Further, a "Request for Corrected Notice of Recordation" was filed on January 31, 2002 to correct the assignee's address. PTO records show that the misspelling of **Seoul** has still not been corrected. Inquiry is made as to when a corrected Notice of Recordation of Assignment Document will be received.

Respectfully submitted,

NIXON & VANDERHYE P.C.
